Request for Updated Filing Receipt

To: Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

On March 2, 2004, a Request For Status Of Application was submitted, along with a signed Declaration and Power of Attorney. On April 19, 2005, the Office Of Initial Patent Examination sent a Notice To File Missing Parts Of Nonprovisional Application, requiring a signed Declaration, which was previously sent. We believe this requirement has been met, as the file has now been assigned to an Examiner, and respectfully request an Updated Filing Receipt indicating same.

Respectfully submitted,

Cook, Alex, McFarron, Manzo,
Cummings & Mehler, Ltd.
